We are going to work with Mrs Ware and the Rota Club to enhance our outdoor areas particularly the wildlife garden.

#### **In our community** – to support local and national charities

We are going to choose an organisation to raise awareness and funding for.

#### **Globally** – to continue to support the work of Action Aid through Child Sponsorship

We are going to support Hay Man in Myanmar through the Action Aid charity.

We are going to learn about how things are different and the same in other places around the world, and the impact that Action Aid can have on a community.

- 4) The money raised at last year's fun run through the Guess the name of the teddy, and how many sweets in a jar was £30. Mrs Ware has asked to use this money for binoculars in the wildlife garden. This was agreed by the CHAMPS.
