

Alameda Middle School

Ambitious ♣ Motivated ♣ Confident to Soar

March 2026

Dear Year 4 pupil,

We are very much looking forward to you joining us at Alameda in September.

To help us plan our classes for next year, we would like some information from you. Please give us the names of four or five of your friends, so that we can try to put you with **one** or more of them in your form class at Alameda. These names will be looked at by your current class teachers as well and they will give us advice on whether these are good matches for you. Please ensure you put at least three names down.

When you have filled in the form, please show your parent/carer the names of the friends you have chosen and ask them to sign it. If you are able to email it back to your lower school, please do (we will not mind signatures missing if it is sent from your parent or carer's email). Alternatively, you can hand the form in at your lower school office by **Friday 1st May**, please.

Yours sincerely

Mr A Leaper
Year 5 leader
