

Of central importance to us is the aspiration that all our children achieve the very best they are capable of, coupled with a belief in the benefits of mutual cooperation and teamwork, for everyone in our community. These ideas are captured in our mission statement.

# Merit Assembly

We revise and celebrate our values and vision in our merit assemblies

# Values Nominations

The Firs

Lower School

When people live our values in their life in school, they can be nominated by children and staff and their name is read out in assembly to celebrate their contribution.

Well done, you showed our value of collaboration by working really hard with the people on your table to tidy up!
