Changes to last years' event :

Children will not be able to see the stage, as all performers will be in a specially designated area. This means that you will not be able to see or speak to your child until you collect them at the end of the event. With this in mind we would ask that you please provide your child with a rucksack or bag containing plenty of food, snacks and drinks for the evening, as well as something to entertain them, such as a book or board game (**No** electronic devices, please.)

Please note that if you have bought tickets for the event you may bring your own food and drink; however, glass items and knives are not permitted on site. You may start setting up your picnic as soon as your child has been dropped off.

Please refer to the booking [terms and conditions](#) for further details.
