

CONSENT TO USE PHOTOGRAPHS OF A CHILD

Dear Parent/Carer,

During the course of the school year, we often like to photograph some of our children to help publicise our school and celebrate the children's achievements. We need these images to use in leaflets and displays, and on our website. Occasionally we are asked for images to illustrate Local Authority of County Council publications or reports.

Images that we do take can be viewed upon request. They will only be used for a maximum of two years and will then be destroyed. Images will not be used for anything that might cause distress or embarrassment to parent/carer or child.

We would like to be able to include your child, but we will only do so with your consent. We would therefore be extremely grateful if you could spend a few minutes filling in this form. For documents that the general public will have access to, photographs will not be accompanied by children's names.
