Reading

Reading books will be changed every Wednesday. Children will be given between two and four books depending on their individual needs.

- Please hear your child read as often as you possibly can. When you have read with them, please note down the page they are up to and any relevant comments about how you feel they are getting on with their reading.
- Please let us know if you feel the book is too easy or difficult for your child. Then we will re-assess their level.
- Please do not feel that you have to rush through books or read a book a night. A few pages is often enough and it is important that children have time to discuss the meaning of the book as well as being able to read the words.
- Children read daily as part of their Read, Write, Inc. session but will also be heard once every half term by their class teacher and sometimes additionally by teaching assistants and parent helpers. **Please ensure that your child has their reading log and reading book in school every day so that they can be heard reading as often as possible.**

Homework

Spellings will be gradually introduced during this term and Learning logs (covering a variety of subjects) will start after the October half-term. We will provide more details nearer the time.
