Dear parents / carers,

Y2 Assessment Workshop - Tuesday 13th March at 5.30pm – 6.15pm in Cedar Class

We often have questions from parents about how we assess children in Y2, where we need to follow the National Y2 Assessment Framework and are required still, to administer the SATs, to support that assessment process.

We thought it would be beneficial to organise a short workshop (about 45 minutes) on **Tuesday 13th March at 5.30pm – 6.15pm in Cedar Class** to allow parents to come and find out about the way we assess, the nature of the SATs and the way it is all put together to come to a final judgement.

It will also be an opportunity to see some of the old SATs papers, ask any questions you have about the process and to get some thoughts about how you can help your child at home.

This session has been planned by the Y2 team and we hope that it will be an informal, friendly but very useful opportunity, for you to get an overview of the assessment process and how you can help your child to do their very best.

Please complete the tear-off slip below - looking forward to seeing you there!
