

The Firs

Lower School

Dear Parents/ Carers,

Hands-on animal experience.

To support our topic on Animals this half term, we have invited the company 'Teaching Talons' to bring a variety of species for the children to experience on the 9th November. This will support our work on classification between mammals, birds, fish, reptiles, and amphibians. The children will have the opportunity to handle some animals (we will of course ensure they wash their hands afterwards!) and also to be taught about their features, by animal experts.

We will reassure the children that touching the animals is entirely optional.

In order for the visit to take place, we need to ask for a voluntary contribution of £4.50 per child to be paid via ParentPay by Wednesday 7th November. Please note, that if a number of parents do not pay, this event will have to be cancelled.

Thank you for your continued support.

Yours sincerely

The Year One team.

Adam J.G Campbell (Headteacher)
