

KS2 Sports Day

Date: 5th June 2015

Our KS2 athletes showed their skills in Sprinting, Jumping, Throwing, Skipping & Speed Bounce.

Our skipping workshop earlier in the year has really helped to improve the skipping skills of all our pupils and their fitness has increased but above all they love it and have fun!!

As the reigning champions of the area in Sportshall Athletics and also Quad Kids there were some outstanding performances!

We love to reward success and congratulate all our medal winners however we are proud of every single one of our children who took part.

The Marathon Challenge in year 3 has improved their stamina and it was clear during our 400m races that year 3 had been practicing!

Fast feet and stamina is tested by Speed Bounce as well as leg power and coordination.

Speed Bounce

50M Sprint

50M Sprint

Super skippers!!

400M Run

Speed Bounce

Speedy Skippers!

Javelin - Great throwing boys!!

Standing Long Jump - Springy legs!!!

Standing Long JUMP

Fun with Friends!!

Super team work, support and enthusiasm!
