

Of central importance to us is the aspiration that all our children achieve the very best they are capable of, coupled with a belief in the benefits of mutual cooperation and teamwork, for everyone in our community. These ideas are captured in our mission statement.

# Values Leaves!

The Firs

Lower School

When people live our values in their life in school, they are awarded a leaf in our achievement assemblies. These are attached on our Values Tree in the hall.

Well done, you showed our value of collaboration by working really hard with the people on your table to tidy up!
