

## What Are We Learning At the Firs This Term?

**As historians** we will be learning about The Great Fire of London, learning when and where it happened, why and how the fire started and learning about significant people involved.

**As artists** we will be experimenting with shading, using artists such as Van Gogh and Henry Moore as inspiration. In design technology we will make a moving picture using levers.

**As Scientists** we will be learning about different materials and the properties of different materials. We will be looking at what materials float and sink and materials that are magnetic and non-magnetic.

We will investigate **Musical** elements including long and short sounds and exploring pulse and rhythm in compositions.

### Y1 Spring

**Using our ICT skills** we will be presenting combinations of text using 'Word', '2 Count' and '2 Publish'.

**As writers** we will continue working on our phonics, spelling, grammar and punctuation. We will be writing simple information texts as well as covering poems and traditional stories from a range of cultures.

**As geographers** we will be learning where we live in relation to the rest of the U.K whilst also naming and locating the 4 countries and capitals of the UK and its surrounding seas.

In **P.E** we are lucky enough to be doing multiskills with Triline fitness once a week in the first half of the term. We are also practising our ball skills and skipping.

**In RE** we will be looking at belonging to a group focussing on special celebrations within different religions, such as, a Jewish wedding and the symbolism of a Christian Marriage Ceremony.

In **PSHCE** we will be thinking of reasons as to why we should feel proud of ourselves, looking at personal talents and helping others to feel proud. We will also be looking at ways to stop worrying.

**As mathematicians** we will reprise last terms work on addition, subtraction, place value, time, money and shape.
