

Welcome back to The Firs

Holly Red!

Hello from Mr Campbell!

We have all missed you very much and so it's really great you are coming back to school!

Things are going to be a little different in school, as we make sure that it is as safe as possible for everyone.

We have made this presentation for you to sit down and look at with a grown up at home, so that you can begin to get used to how things are going to be when you get back on Monday 15th.

hope it helps!

Welcome Back to The Firs

Welcome To Holly Red

To help us with our social distancing, we have split classes in half. Holly is split into Holly Blue and Holly Red.

You are going to be in Holly Red.

You will work in Cedar classroom with Mrs Freeman.

Welcome Back to The Firs

Arriving at school

People will be arriving at different times to help with social distancing. You need to get to school between 9:15 and 9:25.

Please come in through the gate from Station Road into the courtyard. You will then go into school through the outside gate like normal.

There will be signs to help.

Our **Blue bear** signs will help you find your way!

Inside Holly Red

If you have a lunch box, put it on the lunch trolley

You will need to wash your hands next. Mrs Freeman will talk to you about how to wash your hands and when, we will be doing a lot of handwashing!

You will see the tables are all spaced out. That's ok, it will help to keep us all safe.

Things you use all the time will be in a wallet just for you! You can keep it on your table.

The Firs
Lower School

One way

A lot of the things in school will look very different at first, but you will get used to it!

In the Hall we have a **One way system**. That means you only walk in one direction round the hall. It's to stop us getting too close to each other, so we stay safe.

There are signs to remind us!

Here is Mrs Ware walking round the one way system in the hall.

Caring at a Distance!

The most important thing to us is that everyone is safe and happy.

We need to keep our distance from each other, but... just because you can't give your friends or your teacher hugs, you can still you show you care - by hugging yourselves at the same time or by giving an 'air high five'!

You can show you care by staying in your place, putting your hand up if you need something and keeping your distance from others.

We will give you time to talk to us and each other about how you feel... we will look after each other and get through this strange time together!

Playtime and lunchtime

You will go out to morning play a 10:15 am.

Afternoon play will be at 2:35 pm.

You will be on the KS1 Playground or field.

You will eat your lunch at 12:30 pm in your classroom. Then you will go and play on the KS1 playground.

Your supervisors will be Mrs Kensall and Mrs Christofis.

Home time

You will go home at 3:30 pm most days and 12:30 pm on Wednesdays.

Mrs Freeman will take you down to the outside gate.

Your parent or carer will come in through the gate from Station Road into the courtyard and pick you up at the outside gate. (Just like in the morning).

Pack up carefully. Put your things in your wallet and put the wallet on your chair so your table is left clear and can be cleaned.
