

Welcome back to The Firs

Pine Green!

Hello from Mr Campbell!

We have all missed you very much and so it's really great you are coming back to school!

Things are going to be a little different in school, as we make sure that it is as safe as possible for everyone.

We have made this presentation for you to sit down and look at with a grown up at home, so that you can begin to get used to how things are going to be when you get back on Monday 15th.

I hope it helps!

Welcome To Pine Green

To help us with our social distancing, we have split classes in half. Pine Acorns and Conkers have been split into Pine Blue, Pine Red and Pine Green.

You are going to be in Pine Green.

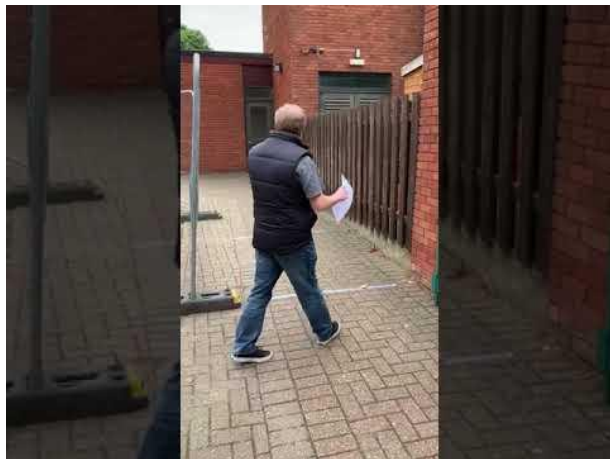

You will play in the Old Saplings with Mrs Haddon, Miss Davanna and Mrs Eddy.

Arriving at school

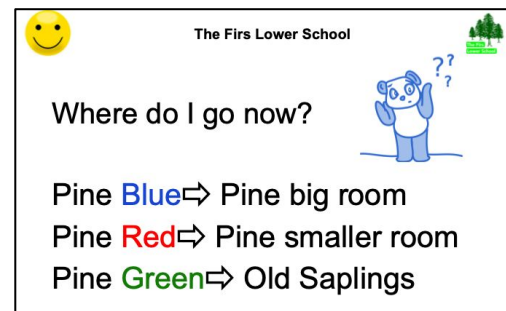

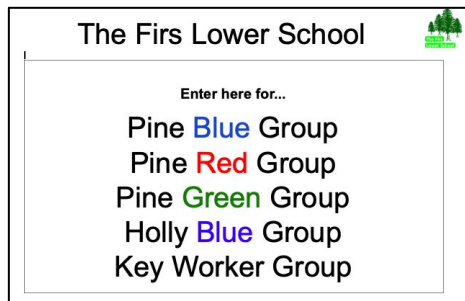

People will be arriving at different times to help with social distancing. You need to get to school between 9:15 and 9:25.

Please come in through the gate from the car park into the courtyard. You will then go into school through the Pine Gate (the one nearest Station Road).

Our **Blue bear** signs will help you find your way!

There will be signs to help.

One way

A lot of the things in school will look very different at first, but you will get used to it!

In the Hall we have a One way system. That means you only walk in one way round the hall. It's to stop us getting too close to each other, so we stay safe.

There are signs to remind us!

Here is Mrs Ware walking round the one way system in the hall.

Inside Pine Green

If you have a lunch box, put it on the lunch trolley.

You will need to wash your hands next. Mrs Haddon, Miss Davanna or Mrs Eddy will talk to you about how to wash your hands and when.

Caring at a Distance!

We want everyone to be safe and happy.

You need to stay in your own bubble and try not to touch each other, but... we can still you show we care - by hugging ourselves at the same time or by giving an 'air high five'!

We will give you time to talk to us and each other about how you feel... we will look after each other and get through this strange time together!

Lunchtime and lunchtime play

You will eat your lunch at 12:00 pm in the hall. Then you will go and play on the KS1 playground.

You will sit spaced out on tables and when you line up to get your lunch you will stand on the tape on the floor to keep in your own bubble!

Your supervisors will be Miss Davanna, Mrs Eddy and Mrs Blackwell.
