

THE CLASS OF 2020

*We have been together for several years,
Sharing our hopes, our dreams and our fears.*

*But in March we were sent home to stay,
Learning online was our new school day.*

*Sent into lockdown, school closed for most,
Of all our priorities your safety was utmost.*

*We made rainbow pictures and went out to cheer
Key workers protecting those we hold dear.*

*It's been so hard - we know that and we're proud of what you've shown,
When facing such adversity unlike we've ever known.*

*We're in a time in history that will be on the shelves,
A tale to tell our grandchildren that's greater than ourselves.*

*They'll look at you like heroes, the sort we know you are,
You're warriors, you're brave young knights, you're bright and dazzling stars!*

*What should have been a time of celebration,
Became a time of worry and isolation.
But what we have learned in a time like this,
Is what's truly important and the friends that we miss.*

*It has not been the final Year 4 we had hoped,
But we're amazed at your strength and how well you have coped.
Hold on to the memories that we have all shared,
Remember your friends and those who have cared.*

*Although we have parted in unexpected ways,
We still have the memories of countless school days.*

*Remember the special days, the laughter, the fun,
The topics, the trips, the awards you have won.
Remember the playtimes and sports on the grass,
But most of all remember how you're valued in this class!*

*The class of 2020 has a special place in our hearts,
For the courage you've shown from the very start.
You carried on regardless through this period of change,
And continued bravely when things were disappointing and strange.*

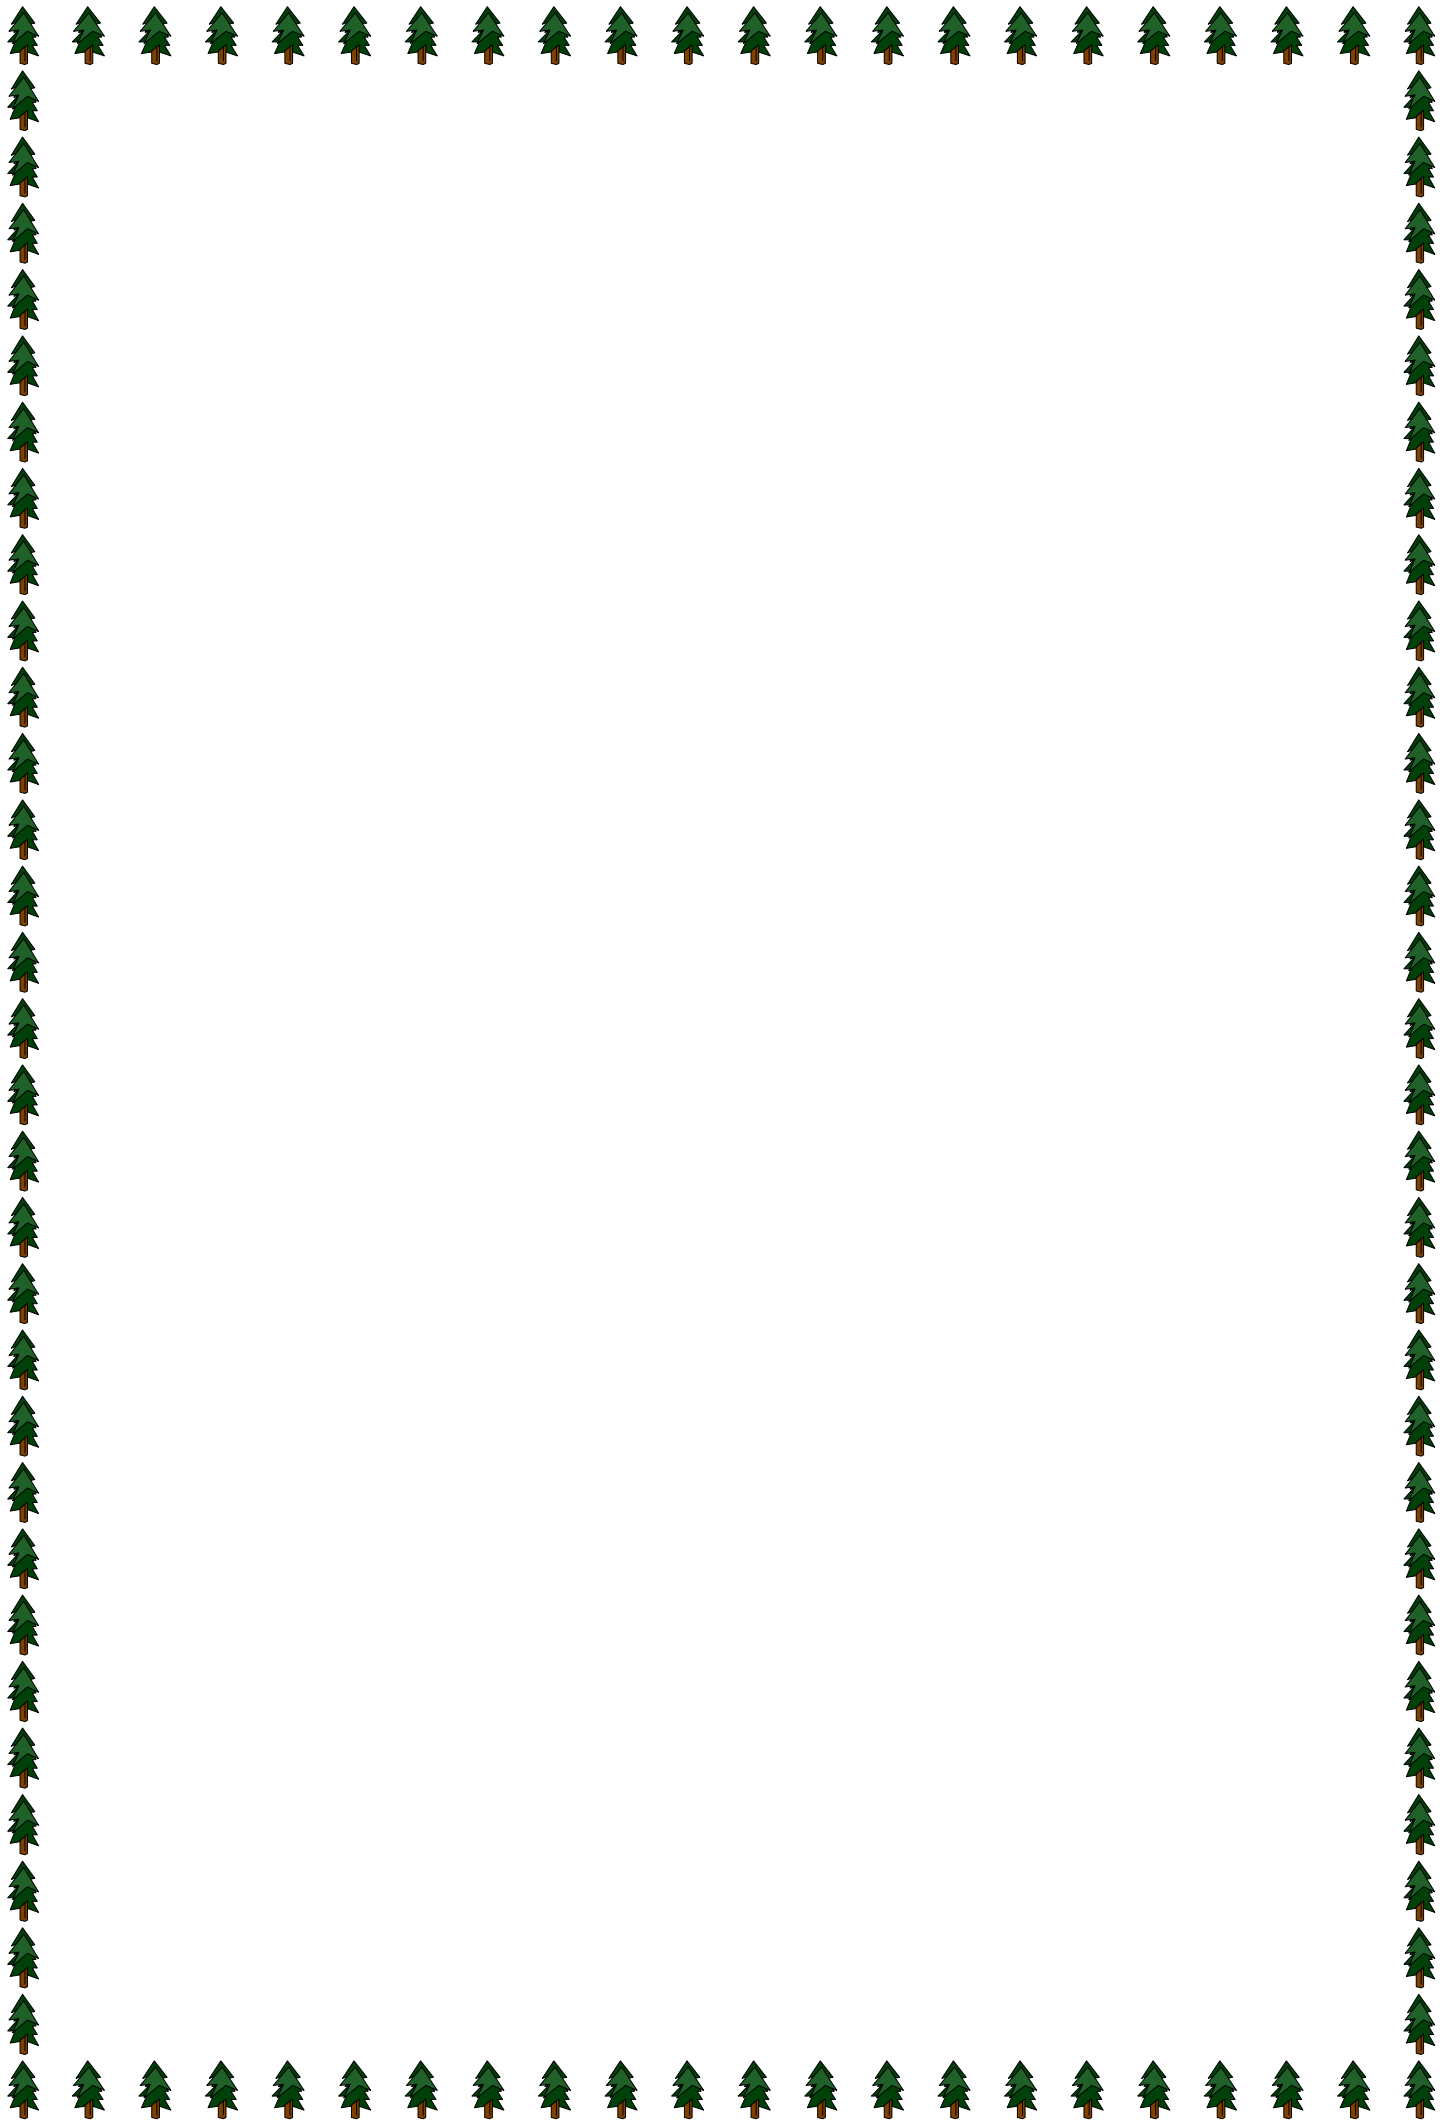

*As we look back in the future we'll think of you and smile
The children who showed resilience and went the extra mile
Of course we will miss you, now it's time to say goodbye.
You're ready now to leave us and we're proud to watch you fly!*

*Onto new adventures and exciting challenges too,
With the values, skills and confidence to see you through.
From all of us at school, we wish you all the best,
Smiles and hard work will be your key to success!*

Goodbye and Good Luck!

Enjoy every opportunity and be happy!

*Love from Mrs Rogers, Miss Blake,
Mrs Wilson and all the Year 4 Team x*
