

The Firs Lower School
Deciding whether to send your child to school flowchart

Does your child **or a member of your household** have Covid 19 symptoms?

- A new Continuous Cough
- A high temperature (over 37.8)
- A loss or change in normal sense of smell

yes

The whole household must stay at home and self-isolate.

Do not go to school or work and follow Stay at home guidance [Guidance for households with possible or confirmed coronavirus infection](#).

Speak to NHS 111, 119 or your GP for additional guidance or go to <http://www.gov.uk/coronavirus>

no

Does your child have other symptoms, such as a runny / blocked nose, mild cold, occasional cough or sore throat but **with no high temperature?**

yes

Would you have kept your child off school before Covid 19?

yes

Keep your child off school, until they feel better. **Please let us know.**

no

no

Does your child have a serious underlying medical condition, such as cystic Fibrosis?

yes

Speak to your GP and/or your child's specialist to get additional guidance. Please keep us informed at The Firs.

Children who are otherwise well but have a runny/blocked nose, sore throat with perhaps an occasional cough, can **come to school as normal**.
