

# Ahoy M'hearties

Shiver me timbers, the PTA and our Sports Premium Grant have given us the bounty to fund a mighty **Pirate Ship Trim Trail** for the Key Stage 2 playground, which the school has ordered this week for installation over the summer. The PTA be putting together plans to have a grand opening when it sets sail in September - **Yo Ho Ho!** - more to come on that nearer the time.

As we all know, **every great ship needs a great name** - and who better to name her than the pirates who will set sail aboard her. September's celebrations will include the naming of the ship, when our personalised plaque will be unveiled. We are asking all lads and lassies to put forward their nominations for the ship's name, with a donation of a **gold doubloon (£1)** towards the building of the ship (you can enter as many names as you like!) - their booty will be to see their chosen name on our mighty ship.

Savvy? Arrrrrrrr ye entering?! Fill in yer tickets below and send them back to class in an envelope with yer gold doubloons (£1 per ticket). **Give us yer loot before half term if you would be so kind.**
