

## **Firs Lower School Football: Year Two End of Season Awards.**

The end of the COVID lockdown restrictions meant that the Year 2 Football team were able to all get together in full to celebrate their end of season awards on a warm Tuesday evening at Ampthill Park.

All twenty players and families attended and were able to see each player pick up their end of season medals with a few selected players collecting individual awards of Parents Player, Players Player and Coaches Player.

It has been a stop start journey for all of the team since March 2020 but since being able to return in March 2021 they have all developed amazingly, working well as part of a team and most importantly having a lot of fun, week in, week out! They have participated in a packed schedule of games in the Mid Beds Mini League, spread across three Year 2 teams. One of the highlights of the season was a recent tournament against our local friends at Russell Lower School. After 5 games for each team it ended up with a Firs v Russell final and although we just missed out, we'll get our chance to win the trophy next year.

Below are the 2020/2021 Year 2 Trophy winners:

### **Parents Player:**

- Isaac
- Harry
- Kai

### **Players Player:**

- Felix
- Edward
- Harry

### **Coaches Player:**

- Alfie
- Mason
- Rory

Anyone interested in getting involved in the football next season, from any year group, please contact Gary McQueen (Chairman of the Firs Lower School Football Team, 07908 422 501)
