

As part of '**Working together to achieve our best**', we expect all of our children to behave well and be well presented at all times. The focus on children's behaviour and their appearance is very important because there is a very strong link between how children look on the outside, the way they behave and their attitude to learning and how much progress they make.

We have 3 golden rules at The Firs:

Ready, Respect, Safe.

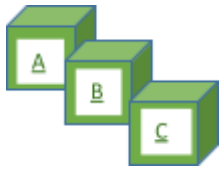

This simplifies the dialogue with children about their behaviour.

It is essential that children get consistent messages from all the adults in their life and so for that reason, we ask parents to support us in reminding children about the following aspects of their behaviour:- (Words in **bold** are the key phrases we say to the children)

Ready	<ul style="list-style-type: none">• Remember your growth mind-set! (See 'Growing your Mindset' -under the 'our learning' tab on our website)• Use your 'magnet eyes' and 'listening ears' in class• 'Best work always'• Tuck your shirt in, make yourself a 'smart learner' as you line up after play.
Respect	<ul style="list-style-type: none">• 'Care for everyone' in our school community• Be polite, listen to adults... remember 'good manners'!• Look after other people's things• Be a good 'team player'
Safe	<ul style="list-style-type: none">• Ask for help if you have a problem!• Use 'Kind hands and kind feet'• Walk in school and on the path into school• If you are angry...stay calm, show self-control

We remind the children about the link between looking smart and being a 'smart learner'. We tell them that if they line up sensibly at the end of playtime, tuck their shirts in and walk into the classroom quietly and sensibly, then they are '**Ready**' to learn e.g. switching successfully to 'work mode' again.

Our focus on this improves how quickly children settle and concentrate at the beginning of sessions. This is really important because as we also remind them regularly, every moment of their learning time is precious and not to be wasted.

The Firs Lower School
'Smart Learners' – Looking Smart, Behaving Smart, Working Smart!

With this in mind, we also ask parents to support us in the following aspects of appearance, to help us make sure that our children look like **'smart learners'**:-

- You **must** always wear The Firs School Uniform.
- The Firs School fleece **should not** be worn in class as it is an outer garment.
- 'Firs Leavers' hoodies must not be worn as this is not part of the school uniform
- Only **green hairbands or green ribbons** – no fancy coloured hair accessories to be worn.
- Nail varnish must **not** be worn at school.
- Tattoo transfers **are not permitted** and must be removed before attending school.
- No Jewellery to be worn in school (small ear studs are permitted but **must be removed** on PE days before they come to school).
- Only **Black** school shoes must be worn – no trainers allowed.

Working together, we can help all our children to do their best!
