

Dear Parent/ carer,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 2 February 2024.**

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **45 seconds**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it.

- We are taking on Buddy’s Key Challenge in our classes during a day that will help raise vital funds for the NSPCC.
- We are working to solve exciting maths puzzles in our classes, against the clock with Buddy, the *Speak out. Stay safe* mascot.
- We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*.
- It will be a non-uniform day and children can wear an item of clothing with a number on it (football shirt, cap, netball shirt etc.) You could even get more creative, by dressing in a maths or numbers theme if you want to.
- We know parents have busy lives however, so if you don’t have time for the dressing up part... don’t worry – we will be making a maths wrist band, hat or something similar as part of the day, so everyone will end up with something on a maths theme to wear!
- To help raise money for the NSPCC, we are asking for donations, and we’d love everyone in the school to take part in this special event – see the next page...

Safe fundraising

- We've set up a Just Giving <https://www.justgiving.com/page/the-firs-lower-school-amphill-1705402715893>. Please donate and share with friends, so we can support the NSPCC.
- No cash donations into school please.

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support.

All the money we raise at The Firs Lower School will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you and best wishes!

Deborah Rogers
The Firs Lower School
