

## The Firs Lower School Admissions Policy 2026-2027

The Firs Lower School has 5 year groups, Reception (the 4+ unit), year 1, year 2, year 3 and year 4. The number of places per year group (standard number) is 60.

If the number of places in a particular year group is not sufficient to meet the requests of all parents, then places are offered to children in the following order:

1. All 'looked after' children or children who were previously 'looked after children', including those children who appear to the Council to have been in a state of care outside of England and ceased to be in state care as a result of being adopted. (see definitions);
2. Pupils living in the catchment area and/or who are attending The Saplings Pre-School.
3. Children with siblings at the school (see definitions)
4. Pupils of members of staff (see definitions)
5. Any other children determined by straight line distance to the school site from the pupil's home address. (see notes/definitions)

### **Notes**

In any situation where there are more children with an equal right to admission than the number of available places, priority will be given to children living the shortest distance, measured in a straight line, between the school and the child's home address. (see definitions)

Overriding priority will be given to the admission of pupils with an Education, Health and Care Plan which names the school, even if it is full. Priority will also be given to the admission of pupils in accordance with the 'In-Year Fair Access Protocol'. (Which will be placed on the school website).

A place will normally be offered at the catchment area school if parents apply for a place at that school during the normal admissions round. However, a place at the catchment area school cannot be guaranteed. If a pupil moves into the catchment area outside the normal admissions round (or after the allocation process has begun) it may be more difficult to offer a place at the catchment area school if this would mean exceeding the admission number at the school. In this case, a place will normally be offered at the next nearest school or academy which caters for pupils of the same age and has places available. Parents of pupils not offered a place at the school will have the right of appeal to an independent admissions appeal panel. Any child refused a place at the school will be placed on a waiting list which will be prioritised according to the admissions criteria. Waiting lists for the normal year of entry will be maintained until the end of the autumn term.

### **Details regarding the admission of pupils into the 4+unit (the reception class)**

The school has a 60 place unit for children who have reached the age of 4 years by the start of the September term. Children are admitted once a year, in one intake in September. All children (regardless of when their birthday is) will be offered a full time place, with an option to attend part time in the morning in the 1<sup>st</sup> term.

In the interests of continuity for the children, it will be necessary for them to attend either 5 mornings or 5 full time sessions. (If they wish to however, parents will have the opportunity to switch to a full time from a morning place, after the October half term).

The Local Authority co-ordinates the process for admission into the 4+ unit. The online application form is available from the Local Authority website.

The Firs Lower School  
**Admissions Policy 2026-2027**

**Delayed admission for summer born children**

Parents have the right to request their summer born child's admission to Reception Year is in the September following their fifth birthday. (A summer born child is one born between 1<sup>st</sup> April to 31<sup>st</sup> August). However parents/carers do not have the right to insist that their child is admitted to a particular age group, a decision will be made by the school in consultation with the governors.

Parents/carers need to make their request in writing, directly to the school. The request should include the parents'/carer's reasons for the request, information regarding the child's academic, social and emotional development, including any supporting evidence the parent deems relevant. Where relevant, their medical history and the views of a medical professional and if applicable, details if the child was born prematurely, including whether they would have been in a lower age group had they been born on their due date.

The school will then consider the request, making their decision on the basis of the circumstances of each case and in the best interests of the child in accordance with the School Admissions Code. Once determined, the decision will be communicated by the school to the parent(s)/carer(s) in writing and will include the reasons for the decision.

If a request is granted, the parent will need to make an application as part of next year's normal admission round and this will be processed within the normal allocation process. A place is never guaranteed at the school and in the case of oversubscription, places are offered in accordance with the school's oversubscription criteria. In short it would be delaying the application rather than an offer of a place.

**Details regarding In-Year Admissions**

Requests for admission into the school outside the normal admissions period should be made directly to the school. The admissions form can be collected from the school office or downloaded from our website. The completed form should be handed or posted to the school office.

**Definitions**

**'Looked after' children**

A 'looked after' child is a child in the care of a local authority as defined by Section 22 of the Children Act 1989. In relation to school admissions legislation a 'looked after child' is a child in public care at the time of application to a school.

**Previously 'looked after' children**

A previously 'looked after' child is a child who was 'looked after', but ceased to be so because they were adopted or became subject to a residence order or a special guardianship order.

**Children who appear to the Local Authority to have been in a state care outside of England and have ceased to be in state care as a result of being adopted.**

A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

**Siblings**

A sibling refers to a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child should

The Firs Lower School  
**Admissions Policy 2026-2027**

be living at the same address. The sibling must be in the school or The Saplings Pre-School at the time of application and be likely to remain in the school at the proposed date of admission.

**Pupils of members of staff**

Any child of a member of our full time or part time staff (teaching or non-teaching) who is employed by the school. Temporary staff are not included in this arrangement.

**Home Address**

A pupil's home address will be regarded as the address of the parent/carer with parental responsibility with whom the child normally lives. This will not usually include grandparents, aunts or uncles. Where a child spends time with parents/carers at more than one address, the address used to allocate a school place will be the one at which the pupil is ordinarily resident and where the child spends the majority of the school week (Mondays to Fridays) including nights. If there is any query on the home address, this will be checked against original official documentation e.g. Council tax bill, a recent utility bill (gas, electricity or water), a rental agreement, a child benefit annual statement or family tax credit information.
